MANU ITAMESHI

Modern Itameshi Restaurant · Vermillion Hotel Iloilo · *Japanese precision meets Italian passion*

Itameshi is Japanese-Italian cooking — the warmth of Italian food brought together with the precision, restraint, and balance of Japanese cuisine. Japan gives MANU its discipline. Italy gives MANU its appetite. Iloilo gives MANU its first home. The name honors **Guakong Manuel Sy**, whose spirit of travel, curiosity, discipline, appetite, and home anchors the restaurant.
